I confirm that I have read and agree to the full terms and conditions of booking the bus service, as below.

**BOOKING TERMS AND CONDITIONS**

The School's own minibuses transport students to and from the school on a daily basis from a wide range of destinations. From time to time we may need to use an alternative bus driver from your child's usual driver. We only use drivers who are reliable and have been DBS checked. These substitutions are only made when absolutely necessary and we reserve the right to make such changes without additional notice. In the event of being unable to find an alternate driver we reserve the right to amend or cancel the bus service.

Prices listed above are per journey per term, commitments made through this form are assumed for your child's whole academic life at Lucton School. Please note that half a term's written notice is required to cancel a place booked on the bus. Cancellation of a booking must be given to [office@luctonschool.org](mailto:office@luctonschool.org) in the first instance. Failure to give adequate notice will result in the equivalent of half a term's charges billed in lieu of notice.

Spaces on each route are limited. Priority will be given to students requiring a return journey 5 days a week. The next priority is given to students wanting a minimum of 5 single journeys per week (e.g. every morning). Usage for less than 5 days in any week will be charged on a pro rata basis. It is possible for students to book the bus on an incidental basis, if there is space available please telephone the School Office to make a booking.

All pick up/drop off times are approximate as traffic conditions vary, as such students should be at the pick-up point 5 minutes before the stated times and parents likewise at stated drop off times. Other stops along each route may also be considered on an individual basis. All requests should be made through the School Office on 01568 782000.
